

New PACM Course Rotation (Starting Fall 2018)

- The new course rotation is modified from the current one by offering ACM 630s and ACM 650s annually and adding business plus course from the M.S. Data Analytics Program as an elective
- The new course rotation will help students finish their degrees on time
- ACM 630s will be cross-listed with MAT 404 (Spring semester)
- ACM 650s will be cross-listed with MAT 481 (Fall semester)
- ACM 640s is currently cross-listed with MAT 383 (Fall semester)
- ACM 660s is currently cross-listed with MAT 484 (Spring semester)
